**A**  
W-M Co.

AS FURNISHERS of stylish apparel we are prepared to serve you intelligently and satisfactorily. To be served satisfactorily at Easter time is of great importance to those who have planned to join the great yearly style parade. In selecting your Easter gown, hat or wrap you want to feel of all times of the year, that your selection will be, not only exclusive but possess several distinguishing style attributes that will be instantly recognized as the earmarks of good taste.

A great majority of ready-to-wear garments—millinery too, for that matter—proclaim the source of their origin: there's a lack of finished excellence, elegance and workmanship that always suggests to the wearer deficiencies that make one ill at ease.

Whatever you select here you have the satisfaction of knowing it's right in style, superior in finish, and equal to any made to measure apparel.

While these thoughts are a source of satisfaction, there's another strong buying incentive that will appeal to you. The Wright-Metzler Company garments cost no more and often less than inferior productions elsewhere.

Don't put off buying until the last day for although errors are not likely to occur owing to our perfect organization. It is far more satisfactory to us and to you that you should make your selections as early as possible.

WRIGHT-METZLER COMPANY

### Wright-Metzler Co., Foot-wear Critically Correct For Easter

There has been many a man and woman remarked to themselves within the past week: "I'll have to get a pair of shoes by Easter."

We wonder if these people thought further, if they considered that the shoe they contemplate buying within the present week could either "make" or "mar" the pleasure of Easter for them. If they did not consider this, it is nevertheless true; for if they should get a shoe made over an incorrectly shaped last, or, if through the fact that the store they patronized was not equipped with the exact width they required and sold them a shoe too narrow or too wide, or if some kind friend should inform them that the style was incorrect and for many other reasons as potent. It would tend to dampen the exultant feeling that seems to permeate a person when they are sure that their attire is correct in every detail.

The growth of our shoe business is entirely due to the following facts:

- 1st.—Close and critical buying which results in our selling supremacy.
- 2nd.—Our careful selection of leathers which results in the long life of our shoes.
- 3rd.—Our ever watchful and vigilant care as to correctness in every detail of style and workmanship.
- 4th.—That we positively carry over no shoes from one season to another.
- 5th.—We buy direct from manufacturers saving you a large percentage.

The very bulk of our shoe business testifies to the absolute truth of these five statements which form a quintet of the strongest buying incentives possible to give.

Our shoe section offers every style in every width, every size and made in every shape that the ultra-fashionable world demands.

A Man can buy shoes in lace, button or blucher from \$1.00 to \$5.00

A Woman can buy shoes in lace, button or blucher from \$1.25 to \$5.00

A Child can buy shoes in lace, button or blucher from 25c to \$2.50

### A Profusion of Easter Novelties

Our basement store is full of Easter favors and new and novel things for Easter entertainment. The hostess who expects to entertain during the Easter season would be saved a great deal of worry by a visit to this Easter store. Then, the unrivaled collection of chicks, rabbits, eggs, baskets and the like are couriers of joy to the children and cause our big basement to take on almost a Christmas air with its abundance of Easter toys that are so alluring to childhood. Price range is satisfying and broad enough to adapt itself to almost any purse.

Chicks 1c to 25c  
Rabbits 5c to \$2.50  
Easter Eggs 5c to 15c  
Easter Bells 5c and 10c  
Easter Baskets 5c to 40c  
Cats, Dogs and Pigs 5c to 25c

### A Wonderful Collection of Women's Waists

Again and again we are told by customers that this showing of women's waists surpasses any they have ever before seen in this city.

This lavish variety includes all the different sorts of waists, taffeta silk, chiffon and China silk, the crepe de chine, then a wonderful stock of lace waists, silk lined. A collection of lingerie waists that is unequalled in the entire coke region and an almost unlimited variety of the practical waists for every day wear. Perhaps the largest immediate demand is for the beautiful silk waists for Easter wear. These we show at prices ranging from

**\$2.50 to \$10.00**

### The Rustle of Silk Shirts Next Sunday

The rustle of a crisp new silk petticoat is an important note in the correctness of the gown that covers it. The swing of the silk petticoat is only apparent in good silk. We have prepared for the Easter demand and are able to quote rustling, crisp taffeta petticoats from

**\$5.00 to \$15.00**  
in every modish shade.

### Have You Forgotten Any of These?

If you have, it behooves you to make your selection at once. The heavy demand upon these stocks are lessening the choice every hour and you'll have more time to choose if you come at once. The last minute shopping is unsatisfactory and oft times coupled with disappointment.

### Reasons for the Pre-eminence of Wright Metzler Co., Clothing

Those familiar with clothing trade facts recognize as a masterful accomplishment the tremendous growth of the Wright-Metzler Company clothing business during the past two years. Men do not pass by several good clothing stores and come up to our second floor without a cause.

Strong decisive, positive causes exist; reasons that preclude any peradventure. They are best known by and frequently the despair of our strongest competitors.

There are always special features, extra handwork at some points, inside staying done with higher grade interlining so that permanent shapeliness is secured without the unpleasant stiffness of cheap starched linings. Of course, this particular betterness is most fully proven by the good wear that Wright-Metzler garments always give, but it is self-evident in the new suits too. The shape, finish, the very "feel" of them, tell of the more careful, more skilled workmanship.

### Chiefest Point of All

With all this careful selection, this unusual workmanship, this exceptional style and character, Wright-Metzler Company clothing is marked at the most popular prices.

Here are the smartest, handsomest clothes that a man can desire; here is clothing at the lowest prices that any careful man would risk paying, and he can be certain of their quality and the good service they will render him.

That is why this clothing business has grown so splendidly, that is why no man knows how much he overpays for his clothing, until he knows all about Wright-Metzler Company clothing.

You are seeking an Easter suit or overcoat today.
